

Name: Dr. Amritpal Singh
Designation: Assistant Professor
Department: Homoeopathy
Faculty of: Faculty of Homoeopathy

About: I am Dr. Amritpal Singh, currently serving as an Assistant Professor in the Faculty of Homoeopathy. With over 7 years of teaching and clinical experience, I am deeply committed to advancing the field of homoeopathic medicine, especially in the area of Pediatrics, which has always been my core interest.

I earned my MD in Homoeopathy from B.B.A.B. University, Ludhiana in 2015, following my BHMS from Baba Farid University of Health Sciences, Ludhiana in 2010. Over the years, I have authored 3 research publications, contributing to the academic and scientific community in Homoeopathy.

My mission is to blend academic knowledge with practical application to guide students and enhance patient care in a holistic and compassionate manner.
