About: I am Dr. Jaswinder Kaur, currently serving as Professor at Sri Ganganagar Homeopathic Medical College, Hospital and Research Institute since March 2011. With over a decade of experience in the field of homeopathy, I am deeply focused on the principles and applications of the Organ of Medicine. My work integrates classical homeopathic teachings with modern case-based insights, particularly in the management of chronic conditions such as hypertension and rheumatoid arthritis. I believe in the core philosophy of miasmatic understanding and its powerful impact on long-term treatment outcomes.
