**Sub: Essentiality Certificate- Regarding opening of Dr. S.S. Tantia Medical College,  
Hospital and Research Centre, Shriganganagar.**

Sir,

The desired certificate is as follows:

1	No. of institutions already existing in the State	21
2	No. of seats available/No. of Doctors being produces annually	3100 ( including private, public, autonomous institutions)
3	No. of Doctors registered with the State Medical Council	44300
4	No. of Doctors in Government Service	13914
5	No. of posts vacant and these in rural/difficult areas	3358/1265
6	No. of Doctors registered with Employment Exchange	NA
7	Doctor population ratio in State	1:1740
8	How the establishment of college would resolve the problem of deficiencies and improve the availability of such Medical manpower in State .	After the establishment of the College in State the number of trained and qualified Doctors being produced will increase to take care of shortage. More State students will be available to serve the State. This will also resolve the problem of deficiency of faculty in medical colleges , medical specialists and medical officers who mostly serve in remote and rural areas.
9	The restriction imposed by the State Government, if any on students who are not domiciled in the State from obtaining admission in the State be specified.	Restriction as per guidelines for admission by MCI, RUHS and State Government & court orders
10	Full justification for opening of the proposed Medical College	At present there are only 21 colleges (as per No.1) for a State having population of about 7.7 Crore. We need more Medical colleges to produce more medical manpower to improve doctor population ratio and better life expectancy in State.
11	Doctor population ration proposed to be achieved	1:1000
