TANTIA UNIVERSITY, SRI GANGANAGAR

REGULATIONS RELATING TO Ph.D. DEGREE

ORDINANCE

(REVISED AS PER UGC REGULATION 2016)

Approved by Academic council on August 8, 2016
Doctor of Philosophy (Ph.D.)

O.79.1 Eligibility of Research Scholars

(1)  A candidate for admission to the degree of Doctor of Philosophy (Ph.D.) in the Various Faculties of Tantia University must have obtained the Master's degree (not the Diploma) with at least 55% marks at the postgraduate examination of the University in subject or any allied subject in which he/she wishes to pursue research. A relaxation of 5% of marks, from 55% to 50%, or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/differently-abled and other categories of candidates as per the decision of the Commission from time to time.

Provided that:

(i)  The Master's degree should have been obtained after taking the Bachelor's degree with full prescribed Courses for the degree.

(ii) Candidate who obtains the B.A. degree from other statutory Indian University after passing a public examination in a classical or modern Indian language prior to his/her M.A. degree will also be eligible for registration.

(iii) The eligibility condition for teachers having been recruited before 1986, may be relaxed at the discretion of the Board of Advanced Studies and Research. For the purpose of Ph.D. registration a teacher candidate will be defined as a person working in a permanent capacity as a teacher in a recognised University/College.

(iv) No candidate shall ordinarily be permitted to register for Ph.D. degree in a subject different from the one in which he/she has passed his/her qualifying examination. However, in order to facilitate inter-disciplinary research a candidate may apply in allied subject and his/her registration may be considered on approval of the President and in such cases co-supervisor may be appointed if supervisor so desires with necessary justification. The co-supervisor also has to be a recognized supervisor of the University.

(2)  The Board of Advanced Studies and Research (BASR) shall be constituted for the purpose of considering all matters, related to the registration of Ph.D. scholars. The implementation of recommendations of the Board of Advanced Studies and Research will be subject to the approval of the President. the composition of BASR will be as below:

(a)  The President;

(b)  Pro-President;
(c) Director (Research)
(d) Deans of Faculties; and
(e) Teachers/experts from the University or outside subject to a maximum of five, nominated by the Chairperson as member on the recommendations of President for a maximum period of two years at a time.
Director (Research) will be the Member Secretary of BASR

(3) To coordinate the research activities of the University, a Director Research will be nominated by the President from amongst the faculty members of the Tantia University.

(4) Research Advisory Committee (RAC) and its functions:
4.1 A Research Advisory Committee (RAC) will be constituted for each Ph.D. scholar. Following will be the members for this committee:

1. Dean (Concerned Faculty)
2. Research Supervisor – Convener
3. Subject Expert- Internal Faculty
4. Subject Expert- From outside of University

This Committee shall have the following responsibilities:

(I) To review the research proposal and finalize the topic of research Scholars.

(II) To guide the research scholar to develop the study design and methodology of research and identify the course(s) that he/she may have to do.

(III) To periodically review and assist in the progress of the research work of the research scholar.

(IV) Any other matter/problem related to Research Scholar

4.2 A research scholar shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The six monthly progress reports shall be submitted by the Research Advisory Committee to the concerned Department with a copy to the research scholar.

4.3 In case the progress of the research scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the research scholar fails to implement these corrective measures, the Research Advisory Committee may recommend to the
Concerned Department with specific reasons for cancellation of the registration of the research scholar.

(5) **Duration of the Programme:**

5.1 Ph.D. programme shall be for a minimum duration of three years, including coursework, and a maximum of six years.

5.3 In exceptional cases an extension of maximum of one year may be permitted by the President on the recommendation of the supervisor giving reasons and justification routed through the Research Advisory Committee. On expiry of the extended period, the registration of the candidate shall automatically stand cancelled.

5.4 The women candidates and Persons with Disability (more than 40% disability) may be allowed a relaxation of two years for Ph.D. in the maximum duration. In addition, the women candidates may be provided Maternity Leave/Child Care Leave once in the entire duration of Ph.D. for up to 240 days.

**O.79.2 Research Supervisor**

1. **Eligibility of Research Supervisor**

   (i) Professors, Associate Professors and Assistant Professor (regular teacher) of the Teaching Departments of Tantia University. (Application form for recognition as research supervisor enclosed: Appendix –I)

   (ii) A Professor with at least five research publications in refereed journals and any Associate/Assistant Professor of the Tantia University with a Ph.D. degree and at least two research publications in refereed journals may be recognized as Research Supervisor.

   In areas/disciplines where there is no or there are only a limited number of refereed journals, the President of Tantia University may relax the above condition for recognition of a person as Research Supervisor with reasons recorded in writing.

   (iii) The external supervisors are not allowed. However, Co Supervisor can be allowed in inter-disciplinary areas from other departments of the Tantia University or from other related Institution/College with the recommendation of the Research Advisory Committee and approval by the President.

2. **Allocation of Research Supervisor:**

   (i) The allocation of Research Supervisor for a selected research scholar shall be decided by the committee constituted by the President.
(ii) In case of topics which are of inter-disciplinary nature where the Department concerned feels that the expertise in the Department has to be supplemented from outside, the Department may appoint a Research Supervisor from the Department itself, who shall be known as the Research Supervisor, and a Co-Supervisor from outside the Department/ Faculty/College/Institution on such terms and conditions as specified in para 0.79.2.1 (iii).

(iii) The maximum limit of number of research scholars at a time with a research supervisor shall be as shown in Appendix- II

(iv) In case of relocation of Ph.D. woman scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the University to which the scholar intends to relocate provided all the other conditions in these regulations are followed in letter and spirit and the research work does not pertain to the project secured by the parent institution/ supervisor from any funding agency. The scholar will however give due credit to the parent guide and the institution for the part of research already done.

(v) In case the supervisor retires or leaves the Tantia University, the candidate shall be permitted to continue his/her work under his supervision by paying necessary fees to the Tantia University.

(vi) In the event of death of the supervisor or in exceptional circumstances a change of supervisor shall be permitted by the President and the period of his/her research work carried with original supervisor shall be counted for the purpose of the award of the Ph.D. degree.

O.79.3 Entrance Test and Admission

(1) Admission to Ph.D. will be made through a Ph.D. Entrance Test to be conducted by the Tantia University each year or as proposed by BASR. (Application form for Entrance test (Appendix-III)

(2) The students who have qualified UGC-NET (including JRF)/UGC-CSIR NET (including JRF)/SLET/GATE/teacher Fellowship holder/passed M.Phil Programme (through entrance exam) will be exempted from appearing in Ph.D. Entrance test. However, they will have to undergo the course work. Their admission to Ph.D. will be subject to availability of seats and approval by BASR.

(3) The syllabus of the Entrance Test shall consist of 50% of research methodology and 50% shall be subject specific. Qualifying marks will be 50% of maximum marks of entrance test and interview together.

(4) The test will be followed by an interview to be conducted by the two Subject Experts to be appointed by the President in consultation with the Director Research, to

O.79.5 Research work

(1) The University will allot the supervisor to the qualified candidates through a committee constituted by the President.

(2) The candidate will submit a research proposal to the university through his/her supervisor in the prescribed format which will be evaluated by the Research Advisory Committee (RAC). (Format for registration form and synopsis enclosed Appendix-IV)

(3) On receiving positive report from RAC, the final registration will be made and the candidate will pursue his/her research work under the supervisor and seek admission at the University by paying necessary fees. The university will issue the final registration letter confirming the date of commencement of work. The date of commencement of work will be the date of admission to course work, as will be communicated by the candidate through supervisor.

(4) The candidate shall pursue his/her research work with the supervisor. The supervisor shall certify that the candidate has put in at least required days of attendance every year. The 200 days attendance per year will also include any period spent away from headquarter for field work and library consultation, as may be certified by the supervisor.

(5) A research scholar shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The six monthly progress reports shall be submitted by the Research Advisory Committee to the Institution/College with a copy to the research scholar. (Format for six monthly progress report : Appendix-V)

(6) The supervisor may, however, recommend a change in the topic if it is subsequently found that a modification is necessary in the interest of research. This matter shall be reported to the BASR which shall forward its recommendation to the President for approval. Such change, however, would be done only once.

(7) Six months before the submission of thesis, the supervisor shall forward four copies of the summary of work along with a sealed panel of at least eight experts in the subject concerned, having not more than two examiners from Rajasthan (Appendix-VI). The President may, however, ask for more names of experts from the supervisor and in exceptional cases, may add names to the panel. The President would then select and appoint two examiners from the panel. At least one examiner should be from outside the state of Rajasthan. The candidate shall be required to submit the thesis within six months of the submission of panel of examiners, however, only in extra
ordinary cases the President may extend the time. (Format of Summary Appendix - VII)

0.79.6 Evaluation of Thesis and Award of Degree

(1) Prior to the submission of the thesis, the scholar shall make a presentation in the Department before the Research Advisory Committee which shall also be open to all faculty members and other research scholars. The feedback and comments obtained from them may be suitably incorporated into the draft thesis in consultation with the Research Advisory Committee and the final thesis shall carry a certificate to this effect.

(2) Ph.D. scholars Must publish at least one (1) research paper in refereed journal and make two paper presentations in conferences/seminars before the submission of the thesis for adjudication, and produce evidence for the same in the form of presentation certificates and/or reprints.

(3) The Academic Council (or its equivalent body) of the institution shall evolve a mechanism using well developed software and gadgets to detect plagiarism and other forms of academic dishonesty. While submitting for evaluation, the thesis shall have an undertaking from the research scholar and a certificate from the Research Supervisor attesting to the originality of the work, vouching that there is no plagiarism and that the work has not been submitted for the award of any other degree/diploma of the same Institution where the work was carried out, or to any other Institution. Appendix-VIII

(4) After the thesis is complete, the candidate shall submit four printed or typewritten copies in a bound- cover of the colour specified in Appendix-VIII along with certificate by the supervisor in the proforma provided in Appendix-VIII and no-dues certificate by the concerned Head of the Tantia University. The scholar shall also submit a soft copy in the form of CD/DVD of the thesis.

(5) The language of the thesis shall be either Hindi or English except that for thesis submitted in the area of languages such as Sanskrit, Urdu, etc.

(6) The candidate shall not incorporate the results of his/her research work done at the Master's or M.Phil. level.

(7) The thesis must be a piece of research work characterised by the discovery of facts or by fresh approach towards the interpretation of facts or theories on an applied work of great significance. In either case it shall evince the capacity of the candidate for critical examination and independent judgement.
It should be satisfactory so far as literary presentation is concerned and must be suitable for publication.

(8) The evaluation of the thesis shall take place in the following manner:

(i) It will be examined by the supervisor(s) and two external examiners appointed in the manner specified above. All the examiners shall be requested to submit a report, normally within a period of two months of the receipt of the thesis in the format provided in Appendix-IX and shall be paid remuneration at rates specified in Appendix-XI.

(ii) If all the examiners unanimously recommend acceptance of the thesis and award of the degree of Ph.D., the President shall appoint one of the two external examiners to conduct the viva-voce examination. The viva-voce shall be conducted jointly by the supervisor(s) and external examiner so appointed. It would be notified that teachers and research scholars may attend the viva-voce examination at their own expenses. The examiners shall submit their viva-voce report jointly to the University in the format provided in Appendix-X. The report shall then be placed before the President for approval, and if the recommendation is found positive, provisional degree certificate may be issued to the candidate and the degree shall be conferred after approval of the Academic Council and Board of Management.

(iii) In case one or more external examiners recommend a modification in the thesis, it will be communicated to the candidate by the University and the candidate will be required to modify thesis as suggested by examiners and resubmit the thesis not before a period of six months. The process of evaluation outlined above will then be followed.

(iv) In case one of the external examiner recommends the rejection of the thesis, the thesis shall be sent to a third external examiner and the opinion of the third external examiner shall be final.

(v) In case one external examiner recommends a modification while another rejects the thesis, the candidate shall be informed accordingly and asked to resubmit the thesis after a period of one year. The revised and/or modified thesis shall be sent to the same two examiners. If, even then, any one of the external examiners, recommends further modification/rejection, the thesis will be rejected and the registration shall automatically stand cancelled.

(vi) If both the external examiners recommend the rejection of the thesis, it will be rejected and the registration shall automatically stand cancelled.
(vii) The period of six months/one year spent in resubmission of the thesis after modification shall be counted from the date on which the candidate is informed about the same and this period shall not be counted to compute the maximum period for submission of thesis i.e., six years from the date of registration.

(viii) If viva-voce report is unsatisfactory the viva-voce examination shall be normally reheld after period of three months from the date of first viva-voce examination on payment of the requisite fee. If the candidate fails to get a satisfactory report in the second viva-voce examination, the thesis shall be rejected and his/her registration shall automatically stand cancelled.

(ix) Following the successful completion of the evaluation process, the University shall submit the soft copy of the thesis to the UGC within 30 days for hosting the same in INFLIBNET.

(x) The degree of Ph.D. thus awarded shall be accompanied by a certificate to the effect that the degree has been awarded in accordance with the provisions of the Regulation of the UGC 2009 or 2016, as the case may be.

0.79.7. The regulations issued by University Grant Commission, from time to time in this regard, will automatically become the part of this ordinance.
