Therefore we request the honour of your benign presence in the National Seminar on "Global Challenges in Education & Research : Issues & Resolution". Kindly ensure your graceful presences and make the seminar impactful.

## NATIONAL SEMINAR

All over the world, we are dealing with the same issues when it comes to making learning & education work. Most of the time these issues are as old as humankind. Sometimes they seem to be more related to the digital times we live in or to more recent tensions.

It feels comforting that the quests of educational professionals all over the world seem so familiar. Knowing that we are all looking for answers to the same questions, connects us to a bigger picture & prevent as from novel gazing. We all face the same challenges. We can face these challenges by using of data to improve learning, government's role inequality management of schools. Education as leverage to table inequality, stimulating & supporting lifelong learning. Partnering between education & the labor market, making & keeping schools relevant to students, the role of parents in the learning journey of their children, the role of teachers, the extent to which education should be personalized. The competing & comparing culture at schools, the place of wellbeing, social skills & self-development in education, assessment of new literacies & schools are specialized in learning.

The Indian education system has its own share of issues & challenges which need to be resolved so as to provide better & improved education to children, who are the future of the country over the year a lot of changed in the Indian education system but there are many loopholes & problems which need to be resolved.

### About the Institute

Under the dynamic guidance and prudent governance of the J.R. Tantia charitable trust the TANTIA UNIVERSITY has been established.

The 45.81 Acres campus is located in lush green area on Hanumangarh Road, Sri Ganganagar, approximately 8 km. from railway station and bus stand. The University has its own multi storied buildings which are more than 10 Lacs square feet constructed area, comprising more than 87 laboratories, 61 class rooms, 7 large green areas, conference rooms and well equipped audio-visual rooms, common rooms for boys and girls, herbal gardens, hostels, play grounds and recreation rooms. The teaching faculty is well qualified and has considerable technical, clinical and teaching experience in their respective fields. The University has 15 fully developed Colleges/Faculties namely Ayurveda, Homoeopathy, Pharmacy, Medical Sciences, Nursing, Para-Medical & Allied Health Sciences, Agriculture, Law, Education, Physical Education, Engineering & Technology, Commerce & Management Science, Arts & Craft and Veterinary Science. A Medical College and Veterinary College are new additions since 2021. The University has 600 bedded Jan Sewa Hospital with all modern amenities and man power.

- **ESTABLISHMENT** : The Tantia University, Sri Ganganagar was established vide Act No. 32, 2013 of the Rajasthan Legislative Assembly and soon after its notification it started functioning from August 2013 with strong infrastructure and academic support.
- **MISSION** : Tantia University aspires to be one of the leading National Universities and to be recognized internationally in providing quality education; problem solving research and rendering need driven community services. Our mission is to advance knowledge and educate students in science, technology and other areas that will best serve the nation and the world in the 21st century.
- **VISION** : To become one of the prominent self-financed education providers of India, and a leading center of innovation and learning imparting quality education across all levels.
