The Convener of the Anti-Ragging Committee welcomed the honorable members of the group at the beginning of the meeting. The agenda he proposed was examined in detail as follows:

Mentoring Cells

The committee members talked on ways to stop ragging on the campus of the institution and hostel by establishing a Mentoring Cell with senior faculty members from each department and student representatives.

Roles and Responsibilities of Mentors

The committee talked about the roles and responsibilities that faculty members, mentors, and members of the anti-ragging squad have when it comes to mentoring students. Additional responsibility assigned to squad members and hostel wardens on a rotating basis is to check hostels, the canteen, and all other notable locations at night.

Library

The committee members decided to keep the library open round the clock during exam season and gave the hostel warden instructions to keep a long note book to record the presence of students using the library late into the night. During this period, the squad members should conduct routine inspections of the hostel and library.

Anti-ragging Squad

The members of the committee talked about the efforts made by the Anti-Ragging Squad, which consists of members from every department as well as student representatives, to stop ragging on the campus of the institution and hostel.

Suggestion and grievances
