The following agenda were considered in the meeting:

Agenda 1. To consider the request of the students regarding additional power backup facility.

Extra power backup facility, such as an additional generator and solar panels, provided by a Tantia university for students is a significant benefit. It ensures that students have a reliable power supply, which is crucial for their academic activities and overall comfort

Agenda 2: To consider the request of the students regarding separate parking facility for each department.

It sounds like the university has considered the request and is now developing a separate parking area for students. That's great news for easier access and convenience.
